## GENERAL INFORMATION

All ties for trophies or championships will be shot off the day the event is finished, time permitting. If you are involved in a tie of this nature, you must be on the grounds when your shoot-off is called, otherwise you will forfeit all rights therein.

Errors in scores must be corrected on the score sheet BEFORE changing stations. The management will refuse to enter into a discussion on this point and will compile the scores as shown on the score sheets.

Shooters winning or tying for class in any singles or doubles event in this program will be advanced to the next highest class for the next like event. Winning scores will be awarded one trophy per event, ATA rules will apply.

It is the shooter's responsibility to have his card punched on the earned yardage and advise the cashiers of class and yardage changes for purse and options calculations. The Magna Gun Club will not be responsible for any accident or loss of property.

The management reserves the right to change, modify or postpone any event as it deems necessary due to unforeseen circumstances that may occur.

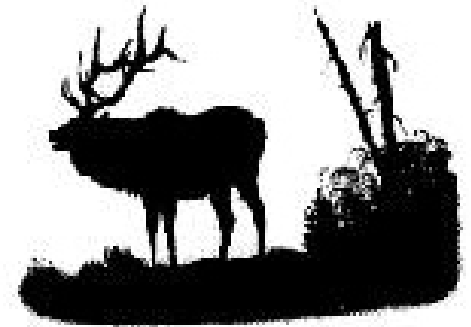

**Sale of ammunition, reloading supplies, etc., on the grounds without permission of the Magna Gun Club is strictly prohibited. Shells will be available at the desk.**

The management reserves the right to refuse any entry or to disqualify anyone who interferes with, or disturbs the harmony of this shoot in any manner. Any shooter who violates ATA safety rules will be disqualified.
